<b>Need for the Project:</b> Payasampalli Zilla Parishad High School was established by Government of Andhra Pradesh in the year ~1970. The school currently have 200 Students studying from 6 <sup>th</sup> to 10 <sup>th</sup> classes. The village is located in a remote area about 40 KM from Kadapa which is still lacking basic necessities and the education percent is comparatively low. All children in the school doesn't have class room benches. Atleast 50% of each class are sitting on the floor. There is a need to furnish class room benches to the students so that they can sit comfortably and concentrate on leaning class room content.	
<b>Project Requirement:</b> The sponsor of this project wanted to contribute and provide better education environment to the area close to where he come from. The requirement is to provide at least 50 benches to this school. Requesting AAA to accept the proposal and support the execution of the project.
